Dear Friends,

It's a new season, a new day, and an entirely new generation of students at LABI College.

We invite you to join us for our annual **COLLEGE DAYS** event, which will give you the chance to explore what it means to be a student at LABI College. During College Days you will participate in various activities that will help you understand your purpose in life as you continue to grow as a leader in the Kingdom of God. When you come to campus, be prepared to hear powerful student testimonies, meet our awesome faculty, enjoy our new and improved facilities, and take the first step towards becoming the next generation leader God has called you to be.

Facts:

- This year 60,000 **CHRISTIAN** seniors will graduate from high school in America
- 40,000 of the 60,000 will go to secular colleges, universities, or trade schools
- 17,300 will not attend any college
- 2,700 will attend an Assemblies of God school
- 86% of the 60,000 **CHRISTIAN** seniors that graduate from high school this year will deny Christ by the time they graduate college with a 4-year degree

God has been calling men and women to LABI College since 1926 to equip them for the journey God has set before them. God is continually building these men and women spiritually and through biblical education and for those that have answered the call over their lives, this has become their home. God is calling you to a place called home, where you will find family, comfort, and preparation for your God given destiny. Let's make an effort in bringing our young students to a school event that is specifically designed to empower them into their God given calling!

Equipping the next generation,

Enrollment Office
LABI College

"He will shelter you with wings; you will find a safety under his wings. His faithfulness is like a shield or a protective wall."- Psalms 91:4
